

# Become a **member** of Best Friends and help **Save Them All**

Every day, thousands of dogs and cats are killed in shelters across America simply because they don't have safe places to call home. But together with compassionate people like you, we're changing that.

Best Friends Animal Sanctuary, nestled in the red-rock canyons of southern Utah, is at the heart of it all. On any given day, about 1,600 animals — many with special needs — find refuge here. Meanwhile, the lives of countless other animals are saved through our national outreach programs and initiatives.

When you become a member, your gift goes to work immediately to:

- Help cats, dogs, birds, bunnies, pigs, horses and other animals at Best Friends Animal Sanctuary get the medical and emotional care they need
- Support no-kill initiatives in Los Angeles, Utah, Atlanta and New York City
- Help end breed discrimination, stop puppy mills and keep community cats safe and out of shelters through trap-neuter-return (TNR) programs

As a member, you'll receive:

- A one-year subscription to Best Friends' bimonthly magazine
- Lodging discounts when you visit the Sanctuary
- Special invitations to events around the country
- Quarterly newsletters and email updates to keep you in the loop

## About **Best Friends**

Best Friends Animal Society is the only national animal welfare organization dedicated to ending the killing of dogs and cats in America's shelters. A leader in the no-kill movement, Best Friends runs lifesaving programs in partnership with more than 1,800 rescue groups and shelters across the country; regional centers in New York City, Los Angeles, Atlanta and Salt Lake City; and the nation's largest no-kill sanctuary for companion animals.

Founded in 1984, Best Friends has helped reduce the number of animals killed in shelters nationwide from 17 million per year to about two million. That means there are still nearly 5,500 dogs and cats killed every day in shelters, just because they don't have safe places to call home. We are determined to get that number to zero by the year 2025. Working together with you, we will end the killing and Save Them All.
