

A place of peace for your beloved companion

Where we cherish your pets and honor the love you shared

Placement services for your pets at Best Friends Animal Sanctuary

Please accept our condolences on the loss of your beloved pet. We're here to help you every step of the way with arrangements for the placement of your best friend at Angels Overlook or Angels Rest. Please know that our dedicated and compassionate full-time caretakers meticulously maintain our majestic grounds of remembrance. The perpetual care included with your purchase ensures that your memorials and the grounds are always safeguarded and kept clean and beautiful. We are honored that you have chosen our grounds as a final resting place for your best friend.

The following information will help you determine what type of service is best for you. Once you decide which services you prefer or if you have any questions, please contact our Angels Rest team at 435-644-2001, ext. 4867 or at angelsrest@bestfriends.org.

Cremains placement and fees

Cremains placements are our most common, and we offer two types:

Standard, \$400 for burying up to three sets of cremains in urns or six loose

Large, \$800 for burying up to eight sets of cremains in urns or 20 loose

If you have multiple pets to place, you can choose to place their cremains all at once or hold an initial service and then reopen the site later to receive additional cremains. There is a \$100 fee to reopen the site.

**Your veterinarian can direct you to a cremation resource near you.*

Full burial placement and fee

If you're a Best Friends member living within a few hours' drive of Best Friends Animal Sanctuary, we can offer your pet a full burial at Angels Overlook. A full burial site can accommodate one pet who has not been cremated. A full burial placement is \$800.

Our full-body placement services can accommodate a variety of species, but if you wish to place a pet larger than a dog or cat, email us at angelsrest@bestfriends.org.

**Please understand that we cannot reopen full-body placement sites and due to limited space, we are unable to allow the use of a casket. We recommend a favorite blanket as a burial shroud.*

Name markers

In addition to placement, our fees include a standard hexagon or square name marker that can accommodate up to three plastic name plaques. For a site that may accommodate more than three pets, we will place a plaque in honor of the family name.

You can also choose from a variety of other memorial markers or add one of our handcrafted memorial wind chimes at your placement site for an additional cost.

Placement dates and times

For any placement service, we kindly ask that you provide at least five days' notice for site preparation. You may arrange your placement up to six months in advance when there is a pending or planned passing of a pet, but we do not offer prepayment for future services. The date of the arrangement must be confirmed by our Angels Rest Team, and because of the nature of our preparations, we require three days' notice for cancellations or changes.

Placements take place Monday through Friday at 9:30 a.m., 10:30 a.m., 1:30 p.m., 2:30 p.m. and 3:30 p.m. If you are unable to travel to attend the service, we can provide you information on how to mail us your companion's cremains for placement. Once your pet has been placed, we will email you a high-resolution photo of the placement site.

Please don't hesitate to contact us with any questions. Thank you for entrusting us with the final placement of your beloved companion and thank you for being a part of Best Friends.
